### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Klein on 5/5/10.

The application has been amended as follows: Amend claim 14 as follows: "A method of controlling a multimedia storage device, the method comprising: providing a rotating media storage drive with a multiplicity of blocks of multimedia data stored thereon; providing a cache memory and a track buffer; transferring ~~storing~~ said plurality of blocks of multimedia data read from said rotating media storage drive into ~~[[a]]~~ said cache memory and from said cache memory to said track buffer responsive to a read request for one of the plurality of blocks of multimedia data; transferring additional blocks of said plurality of blocks of multimedia data anticipated being subject to future read requests to substantially fill said cache memory for transfer to said track buffer; placing said rotating media storage drive in a reduced power consumption mode responsive to said cache memory being filled with a plurality of untransferred blocks of multimedia data to a first threshold level; taking said rotating media storage drive out of said reduced power consumption mode responsive to said plurality of untransferred blocks of multimedia data being below a second threshold level; replacing blocks of transferred multimedia data in accordance with a priority hierarchy based on at least
